

Outpatient Clinics Brief Formative Evaluation

Date _____

Resident _____ Specialty / Preceptor _____ / _____

Resident: Please briefly describe one case you saw today in clinic.

Resident: Please write down one thing that you learned about the management of this patient's condition. Please write down one question that you still have about the management of this patient's condition.

- One thing I learned:

- One thing I would still like to know:

Preceptor: Please review the above and use it to engage in a brief dialogue with the resident about their approach to this patient. Please discuss specific examples of "what worked" and "what can be worked-on" - *as well as how best to work on it*. Please document briefly below.

- What worked:

- What can be worked-on (and how):
